Foreword

Here is a picture of a school building made of brick and steel called Clintwood High School. Each day people come to this building to pursue dreams and goals. It is they, the students and teachers, who give this building life and spirit. Each one contributes to the whole. In the following pages, you will see a pictorial record of the people and activities that make the personality of Clintwood High School.

. . . At CHS

Who Doesn't Know —

the man with the winning smile and hearty laugh?

Who doesn't know the man who not only teaches citizenship but practices it?

Who doesn't know the man who is always willing to help?

Who doesn't know the man who is involved with the activities of the student body, who befriends and advises?

We take pride in dedicating the 1968 GREEN KNIGHT to Mr. James Greear.

Mr. James Greear?

To live fully is to exercise the body as well as the mind.

The world looks brighter from behind a smile.

As we communicate, we mature; as we study,
we learn.

The lifeblood of all achievements is
competition.

What a dull life this,
without recreation!

The easiest way to change
a woman's mind is to agree
with her.

What is education but a hallway to the future?

ADMINISTRATION

Dear Seniors,

Life is full of challenges and opportunities. Life demands spirit and knowledge and determination. It has been our goal at Clintwood High School to provide you with a variety of experiences so that you can be equipped to take your place in the world and lead a useful, productive and satisfying life. MR. CLAUDE CARTY

The members of the Green Knight Annual Staff offer their sincere apologies to the I.C.T. Club. Although their picture was made twice, we still do not have one. The second time we were informed it "didn't take" was after school was dismissed, thus too late for a remake. Again, our apologies.

This club is a very active one and we commend them on the fine work they are doing. We also want to congratulate Mr. Carty for the effort and time he has given to his clubs and the fine way he and his group have represented C.H.S.

Remember When . . .

The Class of 1968

August 1963, Eighth Grade

The class motto was "we will knock down and drag out anyone or anything that crosses our paths." Our class officers for that year were: President, Judy Lane; Vice-President, Lynn Deel; Secretary-Treasurer, Ruben Belcher; and Reporter, Mitzi Wright. Balance in treasury at end of year - none, we were broke.

August 26, 1964, Ninth Grade

Our class entered with 209 members. Officers were: Glenn Anderson, Pres.; Sheri Deel, Vice-Pres.; Paul Phipps, Sec-treas.; and Benny Yates, Reporter. As the class ended the year it had \$3.50 in its treasury.

August 24, 1965, Tenth Grade

We were now sophomores and allowed to attend the Senior high assemblies. Our class numbered 164. Officers were: Ruben Belcher, Pres.; Larry Baker, Vice-Pres.; Pam Hughes, Sec.-treas.; and Ronnie Elkins Reporter. Activities included the Sadie Hawkins Sockhop, bake sales, candy sales, and various activities in which we slaved to build up our treasury.

August 26, 1966, Eleventh Grade

Our main goal was the Prom. After careful meditation for this eventful year we chose our officers carefully as follows: Pam Hughes, Pres.; Benny Yates, Vice-Pres; Barbara Beverly, Secretary; David King, Treasurer; Susan Barrett, Reporter. We did much throughout this year to build our treasury. Our activities were selling candy, CHS banners, and magazines, bake sales, and our homecoming sock-hop. Then came the day we ordered our rings. Just one more year to go.

August 23, 1967, Seniors

Officers were: David King, Pres.; Benny Yates, Vice-Pres; Lana Puckett, Sec.; Danny Chrisco and Danny Lambert, Treas.; and Ruben Belcher, Reporter.
